

Hello,

I am bristi, and as you know very well that I am not good at expressing my feelings, but still I am going to write down my feelings.

No matter what the situation is I'll never - ever leave you and Mr. Mallik I won't let you go. remember it.

I never thought I would find someone like you in my life. seriously, I'm the luckiest, I know I'm tubelight, dumb biggest idiot but I never thought I would be so special to someone.

Talking to you makes me smile calm, Infact whenever I'm with you it feels like I'm with myself, everything seems so 'perfect'.

You became a very Imp. part of my life, It feels like we know each other from years. I can't imagine a day without talking to you.

I've revealed many things, I will tell the rest next time.

Thanks for making my heart smile :

& Yeah I will try to express my feelings
Lekin ap bhi kabhi kabhi Khamosiyan
Samajh liya karu, kabhi kabhi
Khamasiya lafzon se zyada gunjti hain

actually I want to write more
but I'm unable to express so, I'm
ending this letter here My dear
Panic relifer, happiness etc.

I'm not gonna leave you!

☺

love,
Bristi-Barvin ✨
